FARAH INSTITUTE OF TECHNOLOGY FARAH ENGINEERING COLLEGE

Farah Group of Institutions (Formerly Vidya Group), for the past 2 decades, has been imparting quality engineering and management education to over 6000 students, from all parts of India and other countries. Located at Chevella, the college has been established in a spacious area with an expansive and comfortable environment that enhances learning through our committed faculty.

We work with the intention to provide world-class quality education to all our students and give them necessary exposure to groom themselves. We ensure the students on graduation are well prepared to face challenges of the professional world.

VISION

Farah Group strives continuously for excellence in professional education through innovation, team work and value creation, and emerges as Premier Institution in the state and nation.

MISSION

- To impart quality professional education that meets the needs of present and emerging technological world
- To strive for student achievement and success, preparing them for life and leadership
- To provide a scholarly and vibrant learning environment that enables faculty, staff and students to achieve personal and professional growth
- To contribute to advancement of knowledge, in both fundamental and applied areas of engineering and technology
- To forge mutually beneficial relationships with governmental organisations, industry, society and the alumni

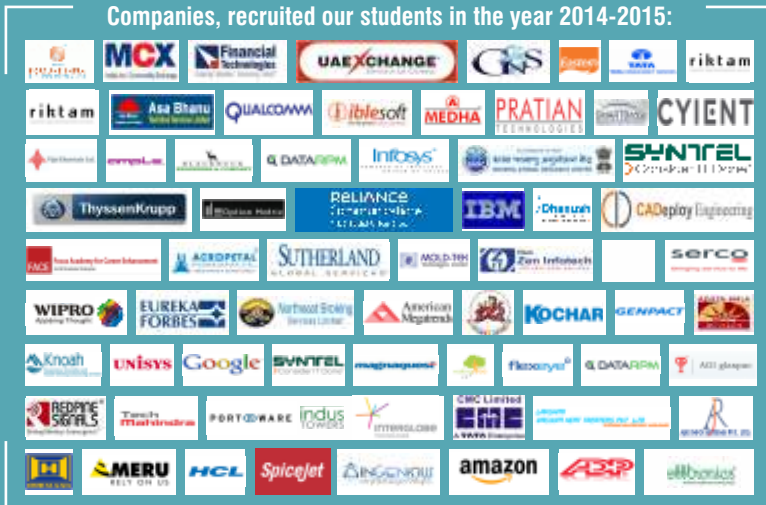

OPPORTUNITIES

It's all about learning and leading a successful life.

Farah group focuses on ensuring its students get the opportunity to be placed while still studying on campus. The students are trained and mentored to face interviews and write various other competitive exams for career progression. 48+ companies interviewed our students in 2014-2015 highest package offered was INR 8.5 lakhs per annum by DataRPM, Bangalore. Placement season is still going on for 2015-2016 and more than 30 companies have already interviewed our students. Some of the other recruiters include:

Companies, recruited our students in the year 2014-2015:

TESTIMONIALS

Shaik Usman
CSE 2014 Class

My days at Farah were quite splendid due to the friendly management and staff, as they were always helping us to make us knowledgeable and capable. Now I'm working with Yash Technologies and leading a successful life. Thanks to Farah for making all this happen.

Saleem Hussain
ECE 2015 Class

The college has a very effective placement cell and we were trained by industry experts on how to handle job interviews. Many companies visited our campus and recruited our students. I got placed in Qualcomm to work as an Engineer

S. Akash Reddy
Civil 2014 Class

Farah is one of the few colleges that have an exceptional infrastructure and friendly faculty. As a Civil student, I had the necessary field exposure in the form of Industrial visits and guest lectures from industry personnel. I'm currently working in L&T

Prasthant
ME 2015 Class

For me it's one of the best colleges, I improved my skills a lot here it's good for sports as well as academics. At Farah you'll see education as an entertainment, so education is always fun here. The people, the faculty, the experience and the days over Farah were not just memorable but also knowledgeable.

 - Highest package offered was INR 8.5 lakh per annum to 4 students by DataRPM, one of the leading IT companies in the world
- Our trail blazing success record has been consistent in the last three years. Students are regularly trained both by internal and external experts
- University rankers in various engineering disciplines
- The governing board of FIT is a combination of experience and management skills, supported by a team of dedicated and highly successful faculty
- Proactive Social Services has been initiated by our students like Swachh Bharat, International Women's Day celebrations, Road Safety, Legal Awareness Program, Voters Day Celebrations, International Student Leadership Day celebrations etc
- Faculty has more than 120 research publications to their credit during the academic year 2012-13, 2013-14 & 2015-16

FACULTY

With a committed and dedicated faculty at Farah, we have been successfully imparting quality education to over 6000 students for the past two decades.

- Experienced and dedicated staff members
- More than 230 faculty across various disciplines of Engineering, Sciences & Management
- Students get mentored by faculty to help them during their stay and prepare them for the corporate world
- Regular Faculty Development Programs to keep the faculty abreast with latest knowledge
- Teaching Aids include LCD Projectors, E-library, Library, OHP Projectors, Video Lectures etc.

RESEARCH AND ENTREPRENEURSHIP

Farah Institute has always been on the front foot in encouraging research and development at its campus

- Research activities are supervised by the senior faculty members from various departments
- Close attention is paid to the projects being done at the campus
- Innovative Research Ideas are promoted in the form of cash awards to students
- Funds are allocated by the college for students to work on their research ideas and file for patents
- Many projects in the pipeline to be patented by students

Entrepreneurship:

A separate cell for Entrepreneurship has been established at Farah. This Entrepreneurship Cell is an opportunity for the young minds to take initiatives, headed for this situation that demands them to come up with their own innovative ideas and their own entrepreneurial ventures. The main objective of the club is to train and motivate the students to become job creators rather than Job Seekers. Guest lectures by industry experts are organized to motivate students towards entrepreneurship.

Unity in Diversity

We, at Farah, have always defined diversity broadly, incorporating varying geographic, intellectual, ethnic, cultural, academic and social elements that make our world a more vibrant place. We have students coming from all over the country, including Telangana, Seema Andhra, Kerala, Assam, Bihar, West Bengal, Orissa, Jharkhand, Jammu & Kashmir, Maharashtra and Karnataka among other states. In addition to this, we have more than 200 students from different countries such as Syria, Saudi Arabia, Yemen, Somalia, Sudan etc... This helps students to work in multi cultural teams and prepare them to lead various teams in professional world.

INFRASTRUCTURE

Library

The central library at Farah institute has extensive facilities and is housed in an expansive space

- The library has a wide collection of books, journals, course materials, project reports and back volumes
- Over 25,000 books across various fields of Engineering, Sciences and Management Education
- Fully computerized electronic resources to facilitate learning
- Access to e-books, e-journals, audio visuals, CDs and DVDs
- Subscriptions to J-Gate, DELNET and NPTEL for the benefit of students

Laboratory

Farah Institute has spacious & state-of-the-art laboratories with

- Sophisticated and advanced equipment in every lab
- Computer labs are well-equipped with the latest technologies
- Each lab has experiments beyond the syllabus prescribed by the university
- Internet facility with 50 Mbps speed

LIFE AT CAMPUS

Sports

Sports and physical activity plays a major role in developing skills like leadership qualities, command over the goal, physically balance, improved psychological functioning and good peer relationship. At Farah institute we give utmost importance to sports in developing students' physical and thinking abilities. These activities have a positive impact and provide students opportunities to explore their identity, develop initiative, control on the emotions and to acquire social skills.

Outdoor sports:

Football | Cricket | Basketball | Volleyball | Handball and many more.

Indoor games :

Table Tennis | Caroms | Chess etc.

Milestones of FIT in sports:

- College Football Team won Second place in State Level Football Tournament organized by VJIT in January 2015
- College football team won Second prize at IIIT Gachibowli on 13th, 14th & 15th February 2015

Cultural activities:

Cultural Events are organized with the aim to tap the cultural, creative, literary and artistic talents of the students. Various cultural activities are organized at Farah in all the possible forms like music, dance, theatre, literary skills and many such art forms. The committee also organizes various religious festivals like Dussehra, Ramzan and Christmas along with few regional festivals as well.

FACILITIES

Bank Loans

Farah offers full educational loans for the students who aspire to be part of Farah Institute of Technology. You can avail the loans through select banks the college has mentioned. The process to avail is simple and hassle free, so every student has access to financial aid.

Scholarship

Farah Institute of Technology offers several scholarships, fee waiver schemes, teaching and research assistance to meritorious and deserving students.

To encourage and support students of exemplary talent, several scholarship are instituted to recognize excellence in academic, sports and deserving candidates. The quantum of scholarship and the number of scholarships are subject to change from time to time.

In addition to this, the student can also apply to various Scholarships such as MOMA, State Government and Need based scholarships by various agencies.

Track your child's performance online on daily basis

Farah is one of the few colleges in Hyderabad to ensure complete accessibility to parents about their ward's performance from anywhere in the world through ECAP software.

ECAP software ensures better parent engagement with the institution and this result in grooming the student in his/her formative years. The parent can login to the college portal and track ward's performance in terms of attendance, internal marks, external marks and fee details etc.

Anti-Ragging

College is a place to find knowledge, happiness and valuable friendship. Farah is one such place that gives you beautiful moments and memories to cherish. We, here at Farah strongly condemn any kind of ragging practices. There is a separate anti-ragging committee that takes care of fresher's advices and guides them thoroughly. Our faculty members impart good values with education and take special care of the students.

Hostel

At Farah we have many students coming from different regions of the country; We provide them with hostels along with a homely atmosphere. The rooms at the hostel are fully furnished with modern facilities, healthy food at our hygienic mess, provide water 24X7, Wi-fi Internet 24x7 and a dedicated warden to handle student issues. The college is proud of its ragging free campus.

Transport

Farah Institute is located at chevella which is 25 km away from Hyderabad. The college is established far from the city for the Students to have a peaceful learning experience. For the student's convenience, the college has a transport facility for both students and staff members from every nook and corner of the city. These buses will let students reach their destination before the college hours.

GOVERNING BODY MESSAGE

CA. BASHA MOHIUDDIN,
Chairman, Farah Group.

The Chairman Mr. Basha Mohiuddin, is a Chartered Accountant and a Law graduate by educational qualification. He has a well-established Accountancy firm which has been successfully serving its clients for over thirty years in the city of Hyderabad. Apart from the education and finance sectors, he also has interests in Construction, Consulting and Trading sectors. He is the director of a number of private and public limited companies. He is a trustee and honorary member of a number of charitable and religious trusts.

Chairman's Message:

Education is a process, not an outcome. My earnest belief is to initiate the inquisitiveness and the will to keep learning. We give the individual all that he/she requires to begin their life journey, after which they can do the rest and pave the way towards success. Our role is to make sure that our students have the will to do the best at everything. We wish to see them do the best of everything, with efficiency at not just at national level, but at a global level.

SYED TOUSEEF AHMED,
Vice Chairman, Farah Group.

An alumnus of the prestigious BITS Pilani and an MBA from Indian School of Business Hyderabad, this young technocrat brings the much needed fresh ideas and progressive thinking that offers all new dimensions to technical education.

Vice Chairman's Message:

At Farah Group, our endeavour and hard-work is to constantly upgrade the skills of students with every program that we offer. We believe in grooming the students so as to enable them to dive into their work with confidence from the very first day itself. We believe in grooming technocrats to have a zeal to solve modern day challenges. The college ensures that the faculty is abreast with the latest happenings in the industry and hence offer our students the best education and make them better than the rest.

MRS. RIZWANA BEGUM,
Secretary, Farah Group

Known for her philanthropic activities, the secretary is actively involved in the management of the educational institutions run by the group. She hails from a family known for their business skills and brings to the table this rich experience. She is also a director of Elite Estate (Private) Limited and BMR Projects which have interests in Construction Sector.
