UNIT WISE - EXAMINATION POINT OF VIEW PREPARATION

PRESENTATION & EVALUATION SCENARIO – JNTUH END EXAMINATIONS

1. **Be seated in the seat allotted to you at least 10 minutes before the exam.**
2. **Carry your own compass box**, calculator, and other necessary tools. Fetching them from others in the exam hall is not correct and not allowed.
3. **Fill up** the new “ANSWER BOOLET MAIN PAGE” after reading the Instructions for candidates clearly. (With blue / black ballpoint pen only)
4. You take **3 Hours to Write the Exam** for your study of ONE SEMESTER where as examiner takes ONLY 10-15 Minutes to correct that.
Note: [JNTUH Online Marks Entry PC has been setup 3 minutes only per 1 Answer Script]
So your study of one semester/subject is valuated in just 3-5 minutes.
5. **Read the question paper completely** and spend enough time to read all the questions
6. **Your handwriting should be neat and examiner should clearly understand it.** If only you could understand your hand writing not others then it is loss for you only.
7. Before beginning to Answer any question, you should write the **CORRECT Question Number.**
8. **Answer the question based on its weightage of marks.** Blindly don't fill the papers for the less weightage question.
9. You have a right to answer the paper in whatever order you want, **but examiner will be more convenient if you answer the question in the given order** and could give you more marks.
10. **Your answer should not cross-margin.** If possible also write question and its number properly with different ink. (black & blue) so that examiner should not have to look at question paper each time.
11. **Examiner is least bothered about your intelligence;** his concern is all about your **PRESENTATION** in the paper and that can earn you more marks.
12. When you are answering any question **try to describe the basics first** and you can get more marks for it.
13. **Try to divide the answer in paragraphs** instead of writing it as essay, so that it could be convenient to the examiner.
14. **Try to use Quotations**, underlines, and inverted comas where ever some important words or sentences are needed to be highlighted.
15. **Never write the religious symbols** or notes in the answer booklet. It would do more harm if the examiner were of other community.
16. No examiner entertains any **irrelevant matters** like your cock & bull stories in the answer booklet.
17. Attempting all questions may give full marks, if the questions were from **OUT OF SYLLABUS.**
18. Evaluation procedure → Evaluator → Scrutiny → Chief Evaluator → * 2nd Valuation
19. Maintaining the **Time Management in the examination** is one of the most important skill.
20. Give the special care to Food. **Eat soft and healthy foods during examination.**
21. **Keep away from your most loved distracters...** the mobile, face book, TV, films and other such media that eat away your precious time and mood.
22. **Do not carry mobile to the exam center/hall.** If it is lost, then you are disturbed and this could affect your performance.
23. All exams cause some anxiety and tension. Deep breathing exercises, Meditation or listening good music and Prayer help **relieve anxiety and tension**
